

# Our aim is to support a culture of lifelong learning in a workforce where everyone feels valued and can reach their full potential

## Principles and Values to Inspire our Staff, Students, Apprentices, Learners and Trainees (SALTs)

- I** - Intent, Implementation and Impact of training is clear to develop positive professional training and work values, grounded in inclusive practice
- N** - Nurture staff and SALTs to be resilient and develop their full potential
- S** - Support SALTs in making excellent progress and gain a breadth of experience
- P** - Promote high expectations, equality of opportunity and empowerment
- I** - Instil confidence and develop competence to successfully meet outcomes
- R** - Reflect and review regularly on ourselves and our programmes
- E** - Enable SALTs through attainment of knowledge and tools to forge a successful career.
