

SSE Safeguarding Process - *everyone's responsibility*

SSE recognises that the safety and welfare of children is paramount and that it has a responsibility to protect them. It will take all reasonable steps to ensure that all children, irrespective of sex, age, disability, race, religion or belief, sexual identity or social status, are protected from abuse, through appropriate procedures and training.

The full policy link is available to all staff on SharePoint in Business Support. If you have any concerns or queries please contact:
